CLEANROOM & DUST

100 percent dust-free – this requirement can only be met under perfect conditions. It requires cleanroom clothing that delivers what it promises. HB Schutzbekleidung offers the highest quality in accordance with the acknowledged cleanliness classes to keep particle concentration as low as possible. The manufacture of our Cleanroom & Dust fabrics is specially adapted to suit the specific cleanroom requirements.

HABETEX® VISCOSE

The pure viscose fabric makes full use of the fabric weight's possibilities and ensures maximum wearing comfort. This results in very light-weight, comfortable and highly functional cleanroom clothing. The manufacture of our fabric HABETEX® Viscose is specially adapted to suit the specific requirements of cleanrooms.
